

A black and white photograph of a vintage hand exerciser. The device consists of a metal frame with a house-like shape in the center. The frame is made of several curved metal bars. A coiled spring is attached to the bottom of the frame. The entire device is mounted on a light-colored, textured surface, possibly fabric or paper. The word "HÄNDE" is printed in large, white, bold letters at the bottom of the image.

HÄNDE

# HAENDL WEG

vom Erfurter  
Besetzten Haus!

Info-  
veranstaltung

*Demo am 22.11.08 in Erfurt.
